ANOTHER QUIZ

Why do the Jokers appear on top of the ladder when there is another team with equal performance?

(A) The organisers of the league are biased towards them.

(B) I don't know - ask Microsoft Excel.

Only 1 of the answers above is correct.

Weekly Highest Breaks

Nee Chua - 55

Daniel King - 47

The same player cant win both highest break prizes in the same week. So if you get two biggies, just write down the biggest one.
