

Snooker League 2021 Grand Final

On the Night - Jokers Too Good

After what was arguably the strongest Snooker League ever, the experienced Jokers grabbed the old trophy from the mighty Dark Horse, a team that despite their relative inexperience beat everybody to enter the grand final first. But come the big one the Jokers weren't missing much and have now made it back to back championships, something that hasn't happened since the Cannington Flukers in 2013. We think the Dark Horses will be back stronger next year with that experience under their belt. Both Cannington Bandits and North Perth Breakers also fielded very strong teams and to prove how competitive it was this year, not all of the pre-season favourites made it into the top 4 with another "new blood team", the Shooters finishing in fourth.

Individual Brilliance

The top player of the season with a very impressive 79.17% was Ben Judge and the Break King was Ben Foster with ten top breaks including the seasons' best 98.

Colour Killers prevail in tiebreak over Baby Sharks in Next Four Tussle

In a match where the lead seesawed from one team to the other and ended in a draw, experienced campaigner Wayne Rollings stepped up to win the tiebreaker.
